

Tuckshop

The school tuckshop operates daily and provides healthy eating choices for our students. Our tuckshop is managed by our Tuckshop Convenor. We are always looking for parents to assist in any way they can.

In 2007, Coolum School adopted the Smart Choices strategy for food and drink selection for our tuckshop.

Children are able to order tuckshop by following these simple steps…

- Write order on a paper bag along with their name and class.
- Secure money inside bag.
- Place bag in tuckshop box found in their classroom
