

Enrolment

At Coolum State School, we share the view that choosing the correct school for you child is one of the most important decisions you will make.

Coolum State Primary School provides education for students from Prep to Year 7 and has a current enrolment of over 1000 students. We offer an outstanding education and are confident that, when choosing our school, your child will join thousands of happy students who have attended this school since 1917.

To learn more about the daily running of Coolum School, please read our School Prospectus.

Enrolment forms can be downloaded below or you are invited to visit our school to collect an enrolment package.

Appointments for an interview and guided tour of our school with one of our Deputy Principals can be organised by contacting the school office.
