

Our Explicit Improvement Agenda for 2017:- *Digital Technologies: Spelling: Writing*

2 March 2017

Time is children's currency

There's an old adage in the world of parenting advice – kids spell love as time. Kids don't need things nearly much as they need a parent's attention and availability. It's a classic mistake that we make all too often; we give them stuff we've bought instead of the thing they need most from us – our interest and investment in them. Or we do things for them instead of with them – like lock them out of the garage while we assemble the new bicycle or shoo them out of the kitchen while we bake a masterpiece for their birthday. We tell ourselves that these activities show how much we love them, but the truth is, nothing counts as much as simple time spent with them.

School Sores (Impetigo)

School Sores are very contagious. To minimise the spread of infection, please follow the Department of Health "Time Out" exclusion recommendations:

School Sores (Impetigo) – Exclude case until has received appropriate antibiotics for at least 24 hours. Sores are not contagious if covered, or after the child has taken antibiotics for 24 hours. Weeping or crusted sores on exposed areas should always be covered with a watertight dressing until at least 24 hours post antibiotics commenced and for as long as practical. *(Chris Chant)*

Camps

- Year 4 – Monday 13 to Wednesday 15 March
- Year 5 - Monday 06 to Wednesday 08 March
- Year 6 – Monday 20 to Friday 24 March

Please ensure all forms have been returned. Begin to consider the gear you will need to pack for camp. All medication (including "over the counter" medications) can only be administered with a doctor's authorisation in one of the following ways:

Doctor's name appears on the chemist label; **or** a letter of authorisation from a doctor to administer a specific dosage. The medication must be accompanied by a signed parental medical form, obtained from your child's teacher or the school office. Staff are unable to administer any medication without this documentation.

Please note that this includes analgesics, including paracetamol and ibuprofen medications (Panadol, Nurofen etc.); any herbal/naturopathy supplements; Vitamin tablets. *(Ross Naumann)*

School Excursion Payments

Please make all on-line payments via **BPOINT** (located on our school website) using the Tax Invoice details.

News from 4R

4R have had an enthusiastic start to the year. We have analysed poems, participated in swimming lessons, fine-tuned our measurement skills and we are looking forward to going on camp in Week 8. We have created a poem about our year so far:-

Grade 4R has fab computer skills
We practice every week
Go Keys and Code Studio
Are skills that we tweak.

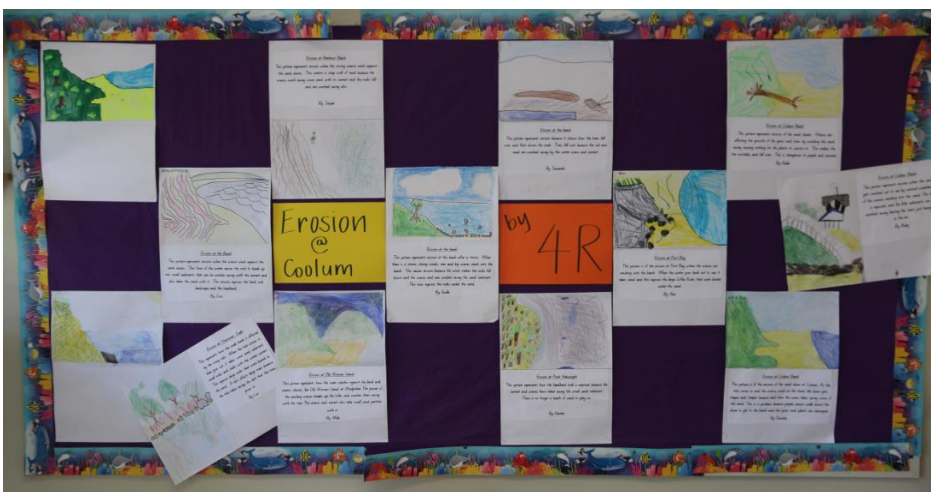

Our Teacher is really awesome
She lets us do fun art
She likes to teach us cool new things
Which makes us really smart.

We are swimming through the water
As fast as we can go
Our lessons have been so much fun
We can swim like a pro!

Maths and English are what we do
Our speed tests really rule
Poetry and funny narratives
Make our writing skills cool.

We cannot wait to go on camp
It will be so much fun
Canoeing, swimming and high ropes
Enjoying lots of sun!

If you have any pieces of memorabilia, photos, uniforms from a by-gone era etc. that we could use in the display which will be set up in the Hall, could you please drop off the material during the week 20 to 24 March. Please make sure it is well labelled. Please bring all material to the office.
(Pat Cavanagh)

Dress Up Day for the Centenary

On Thursday 30 March we are inviting all staff, students, and parents to come along dressed up in costumes or uniforms that reflect how we dressed in a by-gone era. Also on that day the students will be performing Bush and Traditional dancing on the Senior Oval, as part of the celebrations. We look forward to seeing some interesting creations from the past. *(Pat Cavanagh)*
