An evening full of family fun

Rides! Rides! Rides!

Always the most popular part of our Carnival, this year's rides include the *Round-Up, *Super Whizzer, *Hurricane, Super Slide, Cup & Saucer, Super Jet Roller Coaster and Sesame Swings. Armbands offer unlimited rides for \$38 presold and \$40 if purchased on the night. Individual ride tickets will also be presold at \$8* and \$4.

Second-hand Goods

All lovely profit that goes directly to your school! Rita Stefanovic (3S) is our Pre-Loved Treasures coordinator. Hot ticket items are kids games and toys, quality clothing (men's, women's, children's) and all toddler related stuff. We are not permitted to sell electrical items without having them tested and tagged so please do not send electrical goods.

Cake Stall and High Tea

Each year we send home a plastic plate in a plastic bag and ask you to do some baking for our Cake Stall. We then take a selection of those donations and offer them by the piece on our High Tea stall. This year we offer you the chance be rewarded for that little bit of High Tea extra effort. Simply let us know when you drop off your donation that you would like it entered in the competition. Mrs Hoffman has agreed to judge the anonymous entries. Stay tuned while we negotiate a great prize.

Smash –a-Plate

Arghhh! Mr Casey has just discovered that he has no old plates for his ever-popular stall. Please clean out those cupboards and send along any superfluous crockery. All donations can be sent to the Library.
