Friday 20 October

3.30—8.30pm

An evening full of family fun

Noah's Thoroughbred Racing Pigs

Are you in business? Here is a great opportunity to have your business flagged during Carnival night. There will be 5 piglet races with 8 piglets in each race. You can buy naming rights to an entire race or sponsor and name a piglet in a race. It's great fun and crowds gather on the hour to watch the action. Spectators can 'bet' on the first 4 races by purchasing a \$1 ticket, with 8 lucky numbers being drawn prior to the race. There will be great prizes for those spectators that have drawn the winning pig. Race 5 will be run as a Calcutta; the 8 piglets will be auctioned off and the winning pig will earn its owner half of the money collected from the auction. Why not organise a syndicate and get ready for bidding?

Phone Denise French (54719371) for race and piglet pricing.

Pig Brother Explained!

If you are passing by our Library why not drop in and see our Pig Brother contestants, each little piggy represented as a badge. Spot your favourite celebrities, like Kim KardashiHAM, BOARack Obama, PIGcasso and that famous rock band the GRUNTERS and Collectors. Buy a \$5 pig and receive your Certificate of Ownership. All pigs stay in the house until eliminations commence at 3:30 pm on Carnival day. The last pig standing wins the major prize. Our major prize is yet to be announced and lots of minor prizes will be up for grabs as well.

Pig numbers are strictly limited. If you want to beat the rush next term, pigs are available now from the Library.
