

Supporting  
Your child...  
Your school...  
Your community...

Friday 20 October  
3.30—8.30pm

*An evening full of family fun*

**Let's get serious about the Lucky Bottles!**

We are off to a slow start with our Lucky Bottles this year and really need contributions to start coming in.

- ◆ Take a clean jar (glass or plastic).
- ◆ Fill it with something that will give our players value for their \$2 investment:
  - Wrapped lollies, hair accessories, crayons or pencils, small toys, marbles, erasers, jewellery, .....
- ◆ Perhaps add an extra touch and decorate the bottle with some stickers or a cloth cap (not essential but they look really good!)

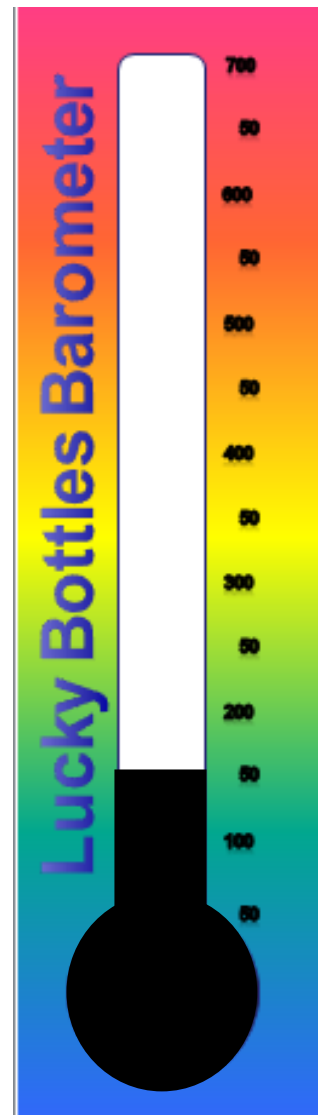

Please give your support to this stall. Remember if every student contributed just one bottle we would show a clear profit of over \$2000.

**Donations Please:** Plates for Smash-a-plate, secondhand items in good condition, potted plants.

Remember **prize draws** for students who have donated will commence on Parades in the first week of Term 4.

## **Ride Ticket Sales**

Ride armbands and tickets will be available for pre-purchase from Tuesday 3 October using Tuckshop Online. From week 2 armbands and individual tickets can also be purchased from 6M classroom before and after school. The actual armbands and tickets will be distributed to students on Friday 20 October.

Pig Brother
