

Coolum State School

Student Code of Conduct 2025-2028

Equity and Excellence: realising the potential of every student

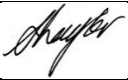

Equity and Excellence outlines the government's vision for a progressive, high-performing education system. Equity and Excellence provides clarity for schools about priorities and expectations, with differentiated support targeted to each school's context and needs.

Purpose

Coolum State School is committed to providing a safe, respectful and disciplined learning environment for all students, staff, parents and visitors.

Coolum State School Student Code of Conduct sets out the responsibilities and processes we use in our school to promote a productive, effective whole school approach to discipline.

Its purpose is to facilitate high standards of behaviour from all in the school community, ensuring learning and teaching in our school is prioritised, where all students are able to experience success and staff enjoy a safe workplace.

Whole School Approach to Discipline

All areas of Coolum State School are teaching and learning environments. We consider behaviour management to be an opportunity for valuable social learning, as well as a means of maximising the success of academic education programs.

Our Student Code of Conduct outlines our system for facilitating positive behaviours, preventing problem behaviour and responding to unacceptable behaviours. Through our school plan, shared expectations for student behaviour are easily understood by all members of our school community. This assists the staff of Coolum State School to create and maintain a positive and productive learning and teaching environment, where ALL school community members have clear and consistent expectations and understandings of their role in the educational process.

Our school community has identified the following motto as a guide to student behaviour:

Community, Strength and Success

Three school rules are taught to promote our high standards of responsible behaviour:

- ☐ Be Safe
- ☐ Be Responsible
- ☐ Be Respectful.

Coolum State School uses a multi-tiered system of support for discipline in the school. This is a whole-school approach, used in all classrooms and programs offered throughout the school, including sporting activities and excursions. Our staff take responsibility for making their expectations clear, for providing supportive instruction about how to meet these expectations and strive to use behavioural incidents as opportunities to re-teach.

Parents and staff

The table below explains the multi-tiered system of support expectations for parents when visiting our school and the standards we commit to as staff.

Thoughtful

<i>What we expect to see from you</i>	<i>What you can expect from us</i>
You make an appointment to speak with the class teacher or principal to discuss any matters relating to your child.	We will respond as soon as practicable to your request for an appointment and negotiate a mutually agreeable date and time with you.
You are respectful in your conversations at home about school staff.	We will ensure positive behaviours are role modelled for all students.
You leave and collect your child from the designated area at school.	We will give clear guidance about a designated area for parents to leave and collect students.

Responsible

<i>What we expect to see from you</i>	<i>What you can expect from us</i>
You respect the obligation of staff to maintain student and family privacy.	We will maintain confidentiality about information relating to your child and family.
You ensure your children attend school every day and notify the school promptly of any absences or changes in contact details.	We will create a safe, supportive and inclusive environment for every student.
You recognise people are different and will be non-judgemental, fair and equitable to others in the school community.	We will welcome and celebrate a diverse school community with recognition of significant social, cultural and historical events.

Accountable

<i>What we expect to see from you</i>	<i>What you can expect from us</i>
You support your child to meet the learning and behavioural expectations at school.	We are clear about our learning and behavioural expectations, and contact you to provide regular feedback about your child's progress.
You stay informed about school news and activities by reading the school newsletter and other materials sent home by school staff.	We will use the electronic school newsletter as the primary means of notifying parents about school news, excursions or events.
You approach the class teacher or principal if you are concerned about the behaviour of a staff member, another student or parent.	We will work with every family to quickly address any complaints or concerns about the behaviour of staff, students or other parents.

Co-operative

<i>What we expect to see from you</i>	<i>What you can expect from us</i>
You share relevant information about your child's learning, social and behavioural needs with school staff.	We will share relevant information with you about your child's learning, social and behavioural progress at school.
You take a positive, solution-focused approach to resolving complaints.	We will nominate a contact person for you to work with to resolve a school related complaint.
You respect school, student and staff privacy in your online communications.	We will act quickly to address social media issues that affect staff, students or families.

Kind

<i>What we expect to see from you</i>	<i>What you can expect from us</i>
You seek out opportunities to provide positive feedback to the classroom teacher about their work with the class, a student or colleagues.	We will work closely with families to accommodate their personal needs, including work commitments, finances and family structure.
You help your child to see the strengths and benefits in diversity and difference in their classmates.	We will promote every child's individuality and build a cohesive, inclusive classroom and school culture.
You notice when others need help, parents, staff and students, and ask if there is anything you do to assist.	We will check in with you about your child's needs or any support your family may require.

Consideration of Individual Circumstances

Staff at Coolum State School take into account students' individual circumstances, such as their behaviour history, disability, mental health and wellbeing, religious and cultural considerations, home environment and care arrangements when teaching expectations, responding to inappropriate behaviour or applying a disciplinary consequence.

In considering the individual circumstances of each student, we recognise that the way we teach, the support we provide and the way we respond to students will differ. This reflects the principle of equity, where every student is given the support they need to be successful. This also means that not everyone will be treated the same, because treating everyone the same is not fair. For example, some students need additional support to interpret or understand an expectation. Others may benefit from more opportunities to practise a required skill or behaviour. For a small number of students, the use of certain disciplinary consequences may be considered inappropriate or ineffective due to complex trauma or family circumstances. These are all matters that our teachers and principal consider with each individual student in both the instruction of behaviour and the response to behaviour.

Our teachers are also obliged by law to respect and protect the privacy of individual students, so while we understand the interest of other students, staff and parents to know what punishment another student might have received, we will not disclose or discuss this information with anyone but the student's family. This applies even if the behavioural incident, such as bullying, involves your child. You can be assured that school staff take all matters, such as bullying, very seriously and will address them appropriately. We expect that parents and students will respect the privacy of other students and families.

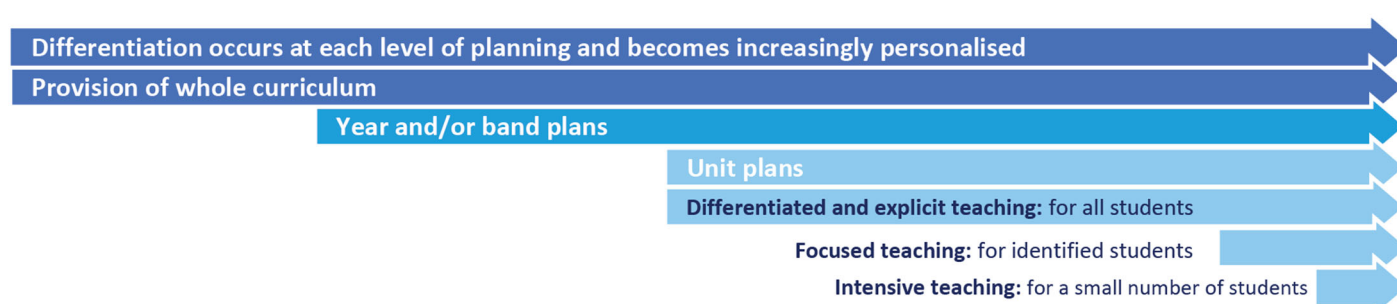

If you have concerns about the behaviour of another student at the school, or the way our staff have responded to their behaviour, please make an appointment with the principal to discuss the matter.

Multi-Tiered Systems of Support

Coolum State School is a disciplined school environment that provides differentiated teaching to respond to the learning needs of all students. This involves teaching expected behaviours and providing opportunities for students to practise these behaviours. Teachers reinforce expected behaviours, provide feedback and correction, and opportunities for practise.

Teachers at Coolum State School vary what students are taught, how they are taught and how students can demonstrate what they know as part of this differentiated approach to behaviour. These decisions about differentiation are made in response to data and day-to-day monitoring that indicates the behavioural learning needs of students. This enables our teachers to purposefully plan a variety of ways to engage students; assist them to achieve the expected learning; and to demonstrate their learning.

There are three main layers to differentiation, as illustrated in the diagram below. This model is the same used for academic and pedagogical differentiation.

These three layers map directly to the multi tiered system of support approach framework.

Tier 1 Differentiated and explicit teaching: for all students

Strategies which are put in place for all children to support their academic and behavioural development.

Tier 2 Focused teaching: for identified students

Are more intense than Tier 1 services, providing more time and specialisation from a range of school based staff. This includes strategies, which are put in place for children who need additional support (Student Welfare Teacher) or timely short term interventions. The types of interventions offered at this level will vary according to the needs of each student or groups of students.

Tier 3 Intensive teaching: for a small number of students

Is put in place for children who have not responded to targeted behaviour support or require the most intensive support a school can provide. This is usually delivered in very small groups or on an individual basis. This support continues until teams can identify what is needed for a student to be successful. The Intensive Behaviour Support plan is based on student data that is analysed to determine the underlying reasons for a student's behaviour. Individual plans are developed and reviewed at regular cycles.

Pro-active Processes

Coolum State School implements the following pro-active processes and strategies to support student behaviour.

Our school uses a range of pro-active whole school processes and strategies which:

- facilitate the development of acceptable standards of behaviour to create a caring, productive and safe environment for learning and teaching
- foster relationships with parents and carers when supporting student behaviour
- promote an effective learning and teaching environment that allows positive aspirations, relationships and values to develop
- foster mutual respect

- encourage all students to take increasing responsibility for their own behaviour and the consequences of their actions

Every classroom in our school uses the Behaviour Matrix, see Appendix 1, as a basis for developing their behaviour standards. Using this matrix, the class teacher works with all students to explain exactly what each of the expectations look, sound and feel like in their classroom. The completed matrix is on display in every classroom, used as the basis of teaching expectations throughout the year and revisited regularly to address any new or emerging issues.

Tier 1 - Whole School Behaviour Support – Pro-active

School Rules	Coolum State School's 3 School rules are clearly displayed on surfboards throughout the school. These serve as reminders to the school community about the behaviour expectations at Coolum SS. Be Safe/Be Respectful/Be Responsible. Appendix 2 (Classroom Rule Poster)
Behaviour Focus-Parade	The behaviour focus for the week is shared and discussed during school parades and describes clear expectations. Acknowledgment for positive behaviour choices. Class teachers remind students throughout the week. Weekly powerpoint slide provided by student engagement teacher.
Diverse lunchtime opportunities	Students can choose from a diverse range of lunchtime activities that foster confidence, social skills and resilience. There are many teacher directed activities. E.g. Stem club, Garden club, Games room, Musical, Rockbands, Choirs, Computer lab- Junior and Senior labs, Coolum's Got Talent, Well Being Wagon, Be Kind and Dance.
Sport	A variety of sport is offered throughout the year. This is both intra and interschool sport. E.g. Cheerleading, Rugby League, Soccer, AFL, Rugby Union, Cricket, Netball, Oztag, Tennis.
Sports Equipment	Bins of sporting equipment are provided for the students to use during the lunch breaks. The sports shed is also open at break time for the older students to borrow sporting equipment.
Competitions to promote diverse learning	Encouraging students to be involved in a range of competitions and events which promote excellence eg. LOTE, Chess, Tournament of the Minds, ICAS, Writing competitions, Robotics challenges
School Newsletter	Positive behaviour articles in school newsletter regularly.
Student of the Week	Each teacher acknowledges the efforts of one student in their class. A certificate is then presented on parade and the names of students are published in the newsletter.
Good Ones	Good Ones are given to students by teachers on playground duty for any good deed. Good Ones tickets go into a weekly draw on parade. The winner receiving an icy pole from the tuckshop.
Specialist Awards	Each specialist teacher acknowledges the efforts of one of the classes taught during the week. A class is drawn and a class prize is allocated.
Attendance Awards	Students recognised for an attendance rate of 95% or more over a semester.
Bucket Filler Award	Students are nominated by their class teacher or their peers for a Bucket Filler award. Every week, every year level has a draw. Students receive a certificate and Tuckshop award.
Kindness Day	Throughout the year, dedicated days are set aside to promote kindness and specific pro-social behaviours.

Parent Communication	Class teachers are encouraged to discuss behavioural concerns with parents and carers. Class teachers are supported by the Student Support Team.
Classroom Rules	School rules are displayed in all classrooms. All rules are taught explicitly (Be Safe, Be Respectful and Be Responsible). All classrooms display the posters- 'Coolum SS Rules'. Teachers have developed expectations for each rule and this is presented in the Coolum SS Behaviour Matrix and Classroom Rule Poster. Appendix 1 & 2
Range of strategies for responding to low level problem behaviour	Pre-correction- Remember to walk quietly to your seat, seating plan, class incentives Whole class practising of routines, Ratio of 5 to 1 negative or feedback to the class, Corrective feedback (e.g. Hand up when you ask a question) Rule reminders e.g. When the bell goes remain seated until I dismiss you, Proximity control
Classroom System	A classroom chart is on display to assist student's in managing their daily behaviour. This chart recognises both positive and negative choices a student may make.
Reward system	Individual classrooms all have their own reward systems for acknowledging positive behaviour. Teachers are encouraged to acknowledge positive behaviours and record in OneSchool.
Curriculum and Pedagogy	All teachers differentiate for the needs and abilities of all students. Personalised Learning Plans are developed for specific students that outline individual student adjustments.
School Camps	Yr 5-6 students participate in an annual school camp. School camps support students social and emotional development.
Year 5/6 Peer Mentors	Volunteer mentors support play in junior areas eg Year 1/2 oval, sandpit, Prep area.
Year 6/Prep Mentoring	Year 6 classes are teamed up with a Prep class for a range of sharing activities that promote positive role modelling.
Gold, Silver, Bronze awards Yr 3-6	Awards given for academic leadership and behaviour. This is awarded twice a year at the end of the semester. This is recorded on One-School. (Gold, Silver, Bronze Matrix)

Tier 2- Targeted Behaviour Support – Pro-active

Parent Communication	Student Support Team communicates regularly with all parents regarding any targeted behaviour supports.
Social Skills Program	Social skills program delivered by support staff. Students identified may also participate in a weekly session over 6 weeks with the Guidance Officer Student Welfare.
Student Welfare Teacher	Provide regular check ins with specific students Provide support to individual teachers to trial different strategies for individuals or groups of students
Alternate Playground Plan	Targeted students participate in a modified play program monitored by the Student Welfare Teacher.
Alternate Eating Plan	Targeted students eat in an alternate location, monitored by the Student Welfare Teacher.
Conflict Resolution	Student Welfare Teacher supports conflict resolution processes with groups of students. This arises from playground issues and also individual teacher referrals of groups of students.
Student Welfare Team	The student welfare team meets weekly to discuss student welfare and behavioural issues. Each case is documented, reviewed and closed as actions are completed.
Guidance Officer/ GO Students Welfare	The Guidance Officer may be involved with a student's behavioural issues at the request of the Student Welfare Committee or the parent. In all cases, parents have to give their written consent for this to occur.
Personalised Learning Plan	Personalised Learning Plans may be developed to document social/emotional or behavioural adjustments for individual students.

Tier 3 - Intensive Behaviour Support

Parent Communication	Student Welfare team members work closely with parents/carers through regular meetings or phone-calls. It is a team approach to supporting and improving student behaviour.
Individual Behaviour Support Plan	Students with highly complex and challenging behaviours need comprehensive systems of support. These students may require an Individual Behaviour Support Plan. This is developed in consultation with the Class teacher, Student Welfare Team and parent and reviewed regularly. This plan is developed based on data collected in a Functional Behaviour Assessment
Individual Behaviour monitoring	Individual students may have a specific daily monitoring sheet. This sheet describes a target behaviour and visuals to provide feedback session by session.
Debrief sessions	Student Welfare Teacher meets with individual students to reflect on the previous week or days, depending on frequency of check ins/debrief sessions.
Peer mentoring	Individual students (P-3) may be assigned a peer mentor from an older grade. This mentor is trained by the Student Welfare Teacher to support younger students to interact successfully in the playground. Mentors selected may be students in older grades that benefit from being placed in a leadership position with greater responsibility.
Wellbeing Teacher Aide	A Wellbeing Teacher Aide may provide individual student support, for short intensive periods of time.

Disciplinary Consequences

The disciplinary consequences model used at Coolum State School follows the same differentiated approach used in the proactive teaching and support of student behavioural expectations.

The majority of students will be confident and capable of meeting established expectations that are clear, explicitly taught and practised. In-class corrective feedback, sanctions and rule reminders may be used by teachers to respond to low-level or minor problem behaviours.

Some students will need additional support, time and opportunities to practise expected behaviours. Approximately 15% of the student population may experience difficulty with meeting the stated expectations, and even with focussed teaching, in-class corrective feedback, sanctions and rule reminders continue to display low-level problem behaviour. A continued pattern of low-level behaviour can interfere with teaching and learning for the whole class, and a decision may be needed by the class teacher to refer the student to the school administration team immediately for determination of a disciplinary consequence.

For a small number of students, approximately 2-5%, a high level of differentiated support or intensive teaching is required to enable them to meet the behavioural expectations. This may be needed throughout the school year on a continuous basis. The determination of the need will be made by the principal in consultation with staff and other relevant stakeholders. On occasion the behaviour of a student may be so serious, such as causing harm to other students or to staff, that the principal may determine that an out of school suspension or exclusion is necessary as a consequence for the student's behaviour. Usually this course of action is only taken when the behaviour is either so serious as to warrant immediate removal of the student for the safety of others, and no other alternative discipline strategy is considered sufficient to deal with the problem behaviour.

The differentiated responses to problem behaviour can be organised into three tiers, with increasing intensity of support and consequences to address behaviour that endangers others or causes major, ongoing interference with class or school operations.

Differentiated

Class teacher provides in-class or in-school Tier 1 disciplinary responses to low-level or minor problem behaviour. This may include:

- Pre-correction (e.g. "Remember, walk quietly to your seat")
- Non-verbal and visual cues (e.g. posters, hand gestures)
- Whole class practising of routines
- Ratio of 5 positive to 1 negative commentary or feedback to class
- Corrective feedback (e.g. "Hand up when you want to ask a question")
- Rule reminders (e.g. "When the bell goes, stay seated until I dismiss you")
- Explicit behavioural instructions (e.g. "Pick up your pencil")
- Proximity control
- Tactical ignoring of inappropriate behaviour (not student)
- Revised seating plan and relocation of student/s
- Individual positive reinforcement for appropriate behaviour
- Classwide incentives
- Reminders of incentives or class goals
- Redirection
- Low voice and tone for individual instructions
- Give 30 second 'take-up' time for student/s to process instruction/s
- Reduce verbal language
- Break down tasks into smaller chunks
- Provide positive choice of task order (e.g. "Which one do you want to start with?")
- Prompt student to take a break or time away in class

- Model appropriate language, problem solving and verbalise thinking process (e.g. “I’m not sure what is the next step, who can help me?”)
- Provide demonstration of expected behaviour
- Peer consequence (e.g. corrective feedback to influential peer demonstrating same problem behaviour)
- Private discussion with student about expected behaviour
- Reprimand for inappropriate behaviour
- Warning of more serious consequences (e.g. removal from classroom)
- Detention

Focussed

Class teacher is supported by other school-based staff to address Tier 2 problem behaviour. This may include:

- Functional Behaviour Assessment
- Individual student behaviour support strategies (e.g. Student behaviour plan)
- Targeted skills teaching in small group
- Reward system
- Play withdrawal
- Behavioural contract
- Counselling and guidance support
- Self-monitoring plan
- Check in Check Out strategy
- Teacher coaching and debriefing
- Referral to Student Support Network for team based problem solving
- Stakeholder meeting with parents and external agencies

Intensive

School leadership team work in consultation with Student Support Network to address persistent or ongoing serious Tier 3 problem behaviour. This may include:

- Functional Behaviour Assessment based individual support plan
- Complex case management and review
- Stakeholder meeting with parents and external agencies including regional specialists
- Temporary removal of student property (e.g. mobile phone)
- Short term suspension (up to 10 school days)
- Long term suspension (up to 20 school days)
- Charge related suspension (student has been charged with a serious criminal offence is suspended from school until the charge has been dealt with by the relevant justice authorities)
- Suspension pending exclusion (student is suspended from school pending a decision by the Director-General or delegate (principal) about their exclusion from school)
- Exclusion (student is excluded from a particular state school site, a group of state schools or all state schools in Queensland for a defined period of time or permanently)
- Cancellation of enrolment for students older than compulsory school age who refuse to participate in the educational program provided at the school.

In consultation with staff the classroom disciplinary consequences process was developed to support differentiated support for students (see appendix 3).

School Disciplinary Absences

A School Disciplinary Absence (SDA) is an enforced period of absence from attending a Queensland state school, applied by the Principal as a consequence to address poor student behaviour. There are four types of SDA:

- Short suspension (1 to 10 school days)
- Long suspension (11 to 20 school days)
- Charge-related suspension
- Exclusion (period of not more than one year or permanently).

At Coolum State School, the use of any SDA is considered a very serious decision. It is typically only used by the Principal when other options have been exhausted or the student's behaviour is so dangerous that continued attendance at the school is considered a risk to the safety or wellbeing of the school community.

Parents and students may appeal a long suspension, charge-related suspension or exclusion decision. A review will be conducted by the Director-General or their delegate, and a decision made within 40 schools days to confirm, amend/vary or set aside the original SDA decision by the Principal.

The appeal process is a thorough review of all documentation associated with the SDA decision and provides an opportunity for both the school and the family to present their case in the matter. Time is afforded for collection, dissemination and response to the materials by both the school and the family. It is important that the purpose of the appeal is understood so that expectations are clear, and appropriate supports are in place to ensure students can continue to access their education while completing their SDA.

Re-entry following suspension

Students who are suspended from Coolum State School may be invited to attend a re-entry meeting on the day of their scheduled return to school. The main purpose of this meeting is to welcome the student, with their parent/s, back to the school. It is **not a time** to review the student's behaviour or the decision to suspend, the student has already received a punishment through their disciplinary absence from school. The aim of the re-entry meeting is for school staff to set the student up for future success and strengthen home-school communication.

It is not mandatory for the student or their parents to attend a re-entry meeting. It may be offered as a support for the student to assist in their successful re-engagement in school following suspension.

Arrangements

The invitation to attend the re-entry meeting will be communicated in writing, usually via email. Re-entry meetings are short, taking less than 10 minutes, and kept small with only the Principal or their delegate attending with the student and their parent/s.

A record of the meeting is saved in OneSchool, under the Contact tab, including any notes or discussions occurring during the meeting.

Structure

The structure of the re-meeting should follow a set agenda, shared in advance with the student and their family. If additional items are raised for discussion, a separate arrangement should be made to meet with the parent/s at a later date and time. This meeting should be narrowly focussed on making the student and their family feel welcome back into the school community.

Possible agenda:

- Welcome back to school
- Check in on student wellbeing
- Discuss any recent changes to school routine or staffing
- Offer information about supports available (e.g. Behaviour support plans and personnel support)
- Set a date for follow-up
- Thank student and parent/s for attending
- Walk with student to classroom

Reasonable adjustments

In planning the re-entry meeting, school staff will consider reasonable adjustments needed to support the attendance and engagement of the student. This includes selecting an appropriate and accessible meeting space, organising translation or interpretation services or supports (e.g. AUSLAN), provision of written and/or pictorial information and other relevant accommodations. The inclusion of support staff, such as guidance officers or Community Education Counsellors, may also offer important advice to ensure a successful outcome to the re-entry meeting.

Coolum State School has tailored school discipline policies designed to ensure students, staff and visitors work cooperatively to create and maintain a supportive and safe learning environment. Please ensure that you familiarise yourself with the responsibilities for students, staff and visitors outlined in the following policies:

- Temporary removal of student property
- Use of mobile phones and other devices by students
- Preventing and responding to bullying
- Appropriate use of social media

Temporary removal of student property

The removal of any property in a student's possession may be necessary to promote the caring, safe and supportive learning environment of the school, to maintain and foster mutual respect between all state school staff and students. The **Temporary removal of student property by school staff procedure** outlines the processes, conditions and responsibilities for state school principals and school staff when temporarily removing student property.

In determining what constitutes a reasonable time to retain student property, the principal or state school staff will consider:

- the condition, nature or value of the property
- the circumstances in which the property was removed
- the safety of the student from whom the property was removed, other students or staff members
- good management, administration and control of the school.

The Principal or state school staff determine when the temporarily removed student property can be returned, unless the property has been handed to the Queensland Police Service.

The following items are explicitly prohibited at Coolum State School and will be removed if found in a student's possession:

- illegal items or weapons (e.g. guns, knives*, throwing stars, brass knuckles, chains)
- imitation guns or weapons
- potentially dangerous items (e.g. blades, rope)
- drugs** (including tobacco)
- alcohol
- aerosol deodorants or cans (including spray paint)
- explosives (e.g. fireworks, flares, sparklers)
- flammable solids or liquids (e.g. fire starters, mothballs, lighters)
- poisons (e.g. weed killer, insecticides)
- inappropriate or offensive material (e.g. racist literature, pornography, extremist propaganda).

* No knives of any type are allowed at school, including flick knives, ballistic knives, sheath knives, push daggers, trench knives, butterfly knives, star knives, butter knives, fruit knives or craft knives, or any item that can be used as a weapon, for example a chisel. Knives needed for school activities will be provided by the school, and the use of them will be supervised by school staff. In circumstances where students are required to have their own knives or sharp tools for particular subjects or vocational courses, the school will provide information about the procedures for carrying and storing these items at school.

** The administration of medications to students by school staff is only considered when a prescribing health practitioner has determined that it is necessary or when there is no other alternative in relation to the treatment of a specific health need. Schools require medical authorisation to administer any medication to students **(including over-the-counter medications such as paracetamol or alternative medicines)**.

Responsibilities

State school staff at Coolum State School:

- do not require the student's consent to search school property such as lockers, desks or laptops that are supplied to the student through the school;
- may seize a student's bag where there is suspicion that the student has a dangerous item (for example, a knife) in their school bag, prior to seeking consent to search from a parent or calling the police;
- consent from the student or parent is required to examine or otherwise deal with the temporarily removed student property. For example, staff who temporarily remove a mobile phone from a student are not authorised to unlock the phone or to read, copy or delete messages stored on the phone;
- there may, however, be emergency circumstances where it is necessary to search a student's property without the student's consent or the consent of the student's parents (e.g. to access an EpiPen for an anaphylactic emergency);
- consent from the student or parent is required to search the person of a student (e.g. pockets or shoes). If consent is not provided and a search is considered necessary, the police and the student's parents should be called to make such a determination.

Parents of students at Coolum State School

- ensure your children do not bring property onto schools grounds or other settings used by the school (e.g. camp, sporting venues) that:
 - is prohibited according to the Coolum State School Student Code of Conduct
 - is illegal
 - puts the safety or wellbeing of others at risk
 - does not preserve a caring, safe, supportive or productive learning environment
 - does not maintain and foster mutual respect;
- collect temporarily removed student property as soon as possible after they have been notified by the Principal or state school staff that the property is available for collection.

Students of Coolum State School

- do not bring property onto school grounds or other settings used by the school (e.g. camp, sporting venues) that:
 - is prohibited according to the Coolum State School Code of Conduct
 - is illegal
 - puts the safety or wellbeing of others at risk
 - does not preserve a caring, safe, supportive or productive learning environment
 - does not maintain and foster mutual respect;
- collect their property as soon as possible when advised by the Principal or state school staff it is available for collection.

Use of mobile phones and other devices by students

Digital literacy refers to the skills needed to live, learn and work in a society where communication and access to information is dominated by digital technologies like mobile phones. However, the benefits brought about through these diverse technologies can be easily overshadowed by deliberate misuse which harms others or disrupts learning.

In consultation with the broader school community, Coolum State School has determined that explicit teaching of responsible use of mobile phones and other devices is a critical component of digital literacy. The knowledge and confidence to navigate and use these technologies safely while developing digital literacy is a responsibility shared between parents, school staff and students.

Use of mobile phones and other devices by students

We understand that mobile phones fill a need for some families, especially in relation to the occasional issues that arise before or after school with safety and communication. There are a number of issues associated with mobile phones at school. These include security, interruptions to class programs, inappropriate use or overuse. Due to these issues, we prefer that students do not bring mobile phones to school. The school holds no responsibility for lost or stolen phones. If a student has a wearable mobile phone device. The phone component must not be used while the student is on the school site.

If however, you do require your student to have a mobile phone at school the following procedures apply:

1. Your child must secure their phone in their school bag for the entire day.
2. Students who breach this requirement will have their phone held in the front office.
3. Should you need to get in contact with your child, this should be done through the Front Office. One of our Front Office staff will get the message to your child.

Responsibilities

The responsibilities for students using mobile phones or other devices at school or during school activities, are outlined below.

It is **unacceptable** for students at Coolum State School to:

- use a mobile phone or other devices in an unlawful manner
- download, distribute or publish offensive messages or pictures
- use obscene, inflammatory, racist, discriminatory or derogatory language
- use language and/or threats of violence that may amount to bullying and/or harassment, or even stalking
- insult, harass or attack others or use obscene or abusive language
- deliberately waste printing and internet resources
- damage computers, printers or network equipment
- commit plagiarism or violate copyright laws
- ignore teacher directions for the use of social media, online email and internet chat
- send chain letters or spam email (junk mail)
- knowingly download viruses or any other programs capable of breaching the department's network security
- use in-phone cameras anywhere a normal camera would be considered inappropriate, such as in change rooms or toilets
- invade someone's privacy by recording personal conversations or daily activities and/or the further distribution (e.g. forwarding, texting, uploading, Bluetooth use etc.) of such material
- use a mobile phone (including those with Bluetooth functionality) to cheat during exams or assessments
- take into or use mobile devices at exams or during class assessment unless expressly permitted by school staff.

At all times students, while using ICT facilities and devices supplied by the school, will be required to act in line with the requirements of the Coolum State School Student Code of Conduct. In addition students and their parents should:

- understand the responsibility and behaviour requirements (as outlined by the school) that come with accessing the department's ICT network facilities
- ensure they have the skills to report and discontinue access to harmful information if presented via the internet or email
- be aware that:
 - access to ICT facilities and devices provides valuable learning experiences for students and supports the school's teaching and learning programs
 - the school is not responsible for safeguarding information stored by students on departmentally-owned student computers or mobile devices
 - schools may remotely access departmentally-owned student computers or mobile devices for management purposes
 - students who use a school's ICT facilities and devices in a manner that is not appropriate may be subject to disciplinary action by the school, which could include restricting network access
 - despite internal departmental controls to manage content on the internet, illegal, dangerous or offensive information may be accessed or accidentally displayed
 - teachers will always exercise their duty of care, but avoiding or reducing access to harmful information also requires responsible use by the student

Preventing and responding to bullying

Coolum State School uses the [Australian Student Wellbeing Framework](#) to promote positive relationships and the wellbeing of all students, staff and visitors at the school.

Our staff know student learning is optimised when they feel connected to others and experience safe and trusting relationships. Students who feel secure are more likely to be active participants in their learning and to achieve better physical, emotional, social and educational outcomes. Teachers who feel valued and supported are more likely to engage positively with students and build stronger connections within the school community. Parents who are positively engaged with their child's education leads to improved student self-esteem, attendance and behaviour at school. Enhancing the wellbeing of students and their educators delivers overall long-term social, health and economic benefits to the Australian community.

Coolum State School has a **Student Council**, with diverse representatives from Year 4 to 6 year levels meeting regularly with the school leadership team to promote strategies to improve student wellbeing, safety and learning outcomes. The standing items on the agenda for each Student Leadership Forum are the core elements of the Australian Student Wellbeing Framework:

1. Leadership

Principals and school leaders playing an active role in building a positive learning environment where the whole school community feels included, connected, safe and respected.

2. Inclusion

All members of the school community actively participating in building a welcoming school culture that values diversity, and fosters positive, respectful relationships.

3. Student voice

Students actively participate in their own learning and wellbeing, feel connected and use their social and emotional skills to be respectful, resilient and safe.

4. Partnerships

Families and communities collaborating as partners with the school to support student learning, safety and wellbeing.

5. Support

School staff, students and families sharing and cultivating an understanding of wellbeing and positive behaviour and how this supports effective teaching and learning.

Coolum State School - Bullying

The agreed national definition for Australian schools describes bullying as

- ongoing and deliberate misuse of power in relationships through repeated verbal, physical and/or social behaviour that intends to cause physical, social and/or psychological harm;
- involving an individual or a group misusing their power, or perceived power, over one or more persons who feel unable to stop it from happening;
- happening in person or online, via various digital platforms and devices and it can be obvious (overt) or hidden (covert). Bullying behaviour is repeated, or has the potential to be repeated, over time (for example, through sharing of digital records);
- having immediate, medium and long-term effects on those involved, including bystanders. Single incidents and conflict or fights between equals, whether in person or online, are not defined as bullying.

Behaviours that do not constitute bullying include:

- mutual arguments and disagreements (where there is no power imbalance)
- not liking someone or a single act of social rejection
- one-off acts of meanness or spite
- isolated incidents of aggression, intimidation or violence.

However, these conflicts are still considered serious and need to be addressed and resolved. At Coolum State School our staff will work to quickly respond to any matters raised of this nature in collaboration with students and parents.

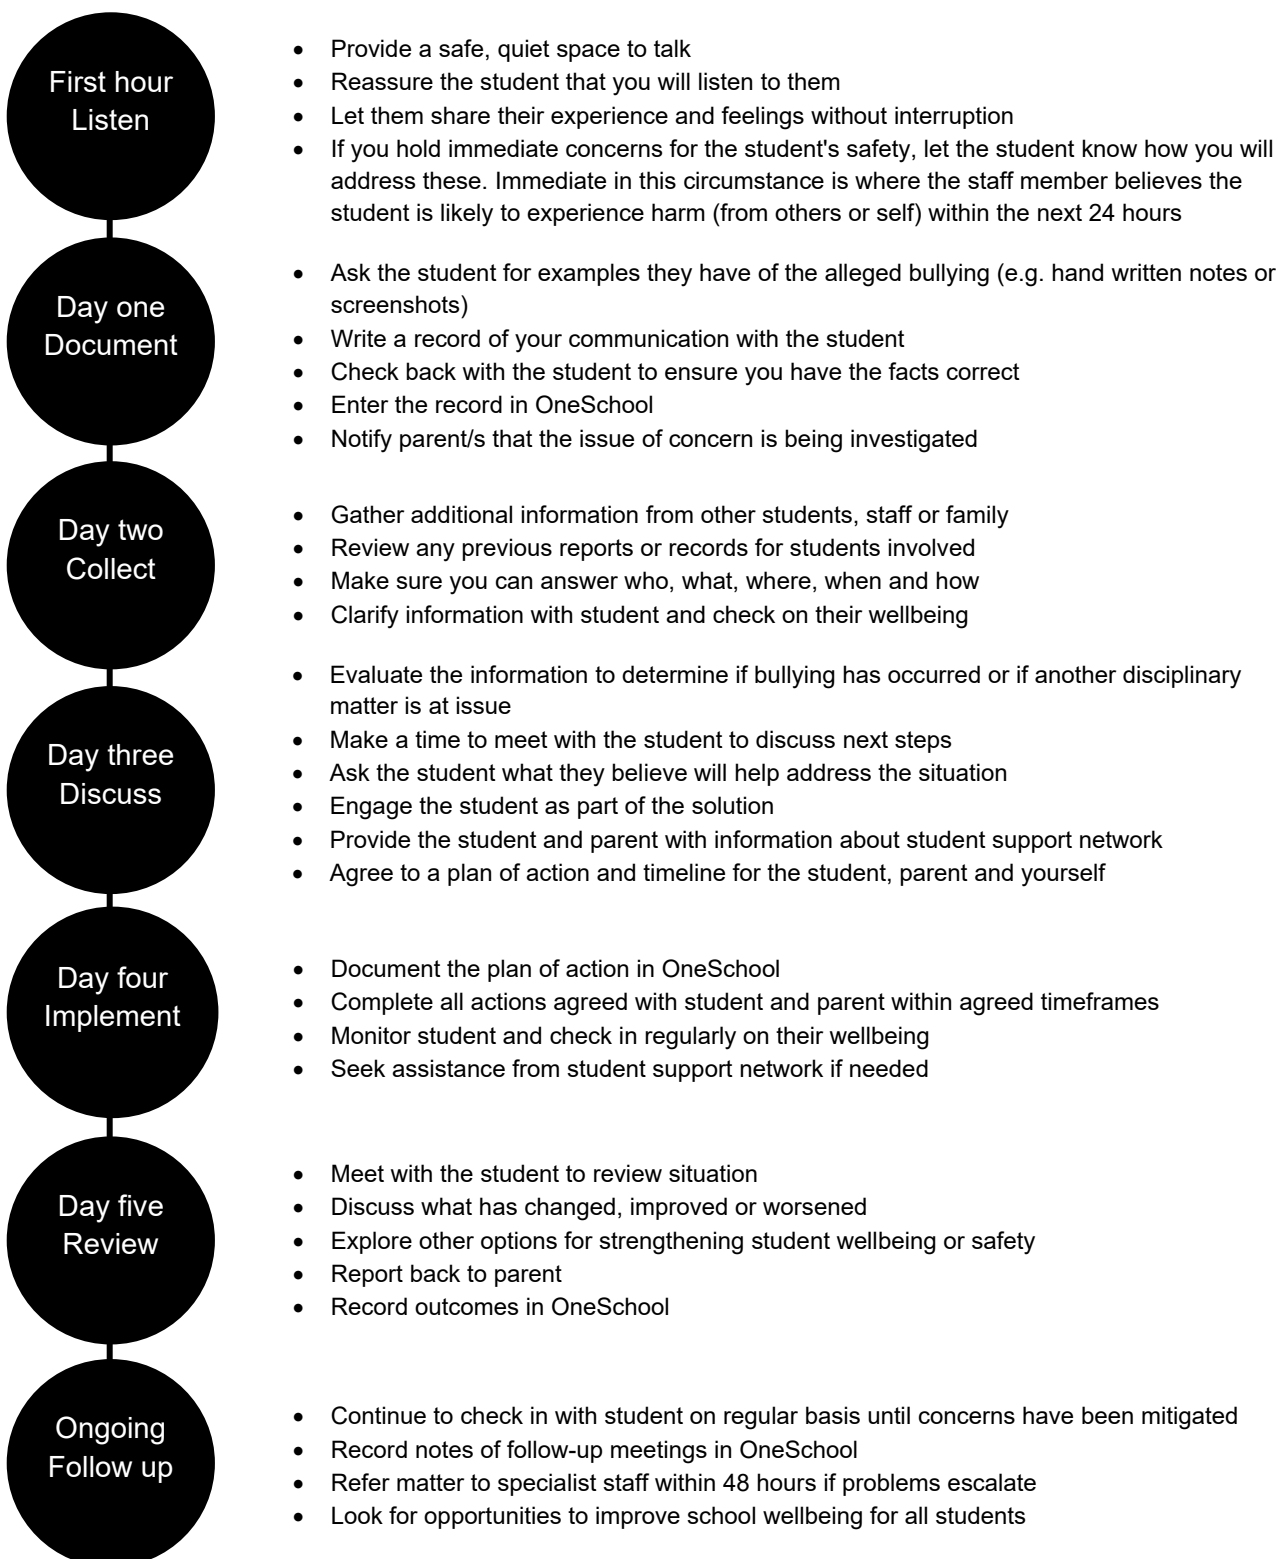

The following flowchart explains the actions Coolum State School teachers will take when they receive a report about student bullying, including bullying which may have occurred online or outside of the school setting. Please note that the indicative timeframes will vary depending on the professional judgment of teachers who receive the bullying complaint and their assessment of immediate risk to student/s.

Coolum State School - Bullying response flowchart for teachers

Please note these timelines may be adjusted depending on the unique circumstances and risk associated with each situation. This is at the professional judgment of the staff involved. Timeframes should be clearly discussed and agreed with student and family.

Key contacts for students and parents to report bullying:

Prep to Year 6 – Class teachers and/or **Deputy Principals** – Prep-2, 3/4 and 5/6

Coolum State School - Cyberbullying

Cyberbullying is treated at Coolum State School with the same level of seriousness as in-person bullying. The major difference with cyberbullying however, is that unlike in-person bullying, cyberbullying follows students into their community, their homes and their bedrooms, giving them no opportunity to escape the harassment or abuse during the evening, weekends or holidays.

In the first instance, students or parents who wish to make a report about cyberbullying should approach the regular class teacher and/or Deputy Principal who can be approached directly by students, parents or staff for assistance in preventing and responding to cyberbullying.

It is important for students, parents and staff to know that state school principals have the authority to take disciplinary action to address student behaviours that occur outside of school hours or school grounds. This includes cyberbullying. Parents and students who have concerns about cyberbullying incidents occurring during school holidays should immediately seek assistance through the [Office of the e-Safety Commissioner](#) or the Queensland Police Service.

Students enrolled at Coolum State School may face in-school disciplinary action, such as detention or removing of privileges, or more serious consequences such as suspension or exclusion from school for engaging in behaviour that adversely affects, or is likely to adversely affect, other students or the good order and management of the school. This includes behaviour such as cyberbullying which occurs outside of school hours or settings, for example on the weekend or during school holidays. It also applies to inappropriate online behaviour of enrolled students that is directed towards other community members or students from other school sites.

Parents or other stakeholders who engage in inappropriate online behaviour towards students, staff or other parents may be referred to the Office of the e-Safety Commissioner and/or the Queensland Police Service. State school staff will be referred for investigation to the Integrity and Employee Relations team in the Department of Education. Any questions or concerns about the school process for managing or responding to cyberbullying should be directed to Deputy Principals.

How to manage online incidents that impact your school

Student protection

If at any point the principal forms a reasonable suspicion that a student has been harmed or is at risk of harm, they have a responsibility to respond in accordance with the [Student protection procedure](#).

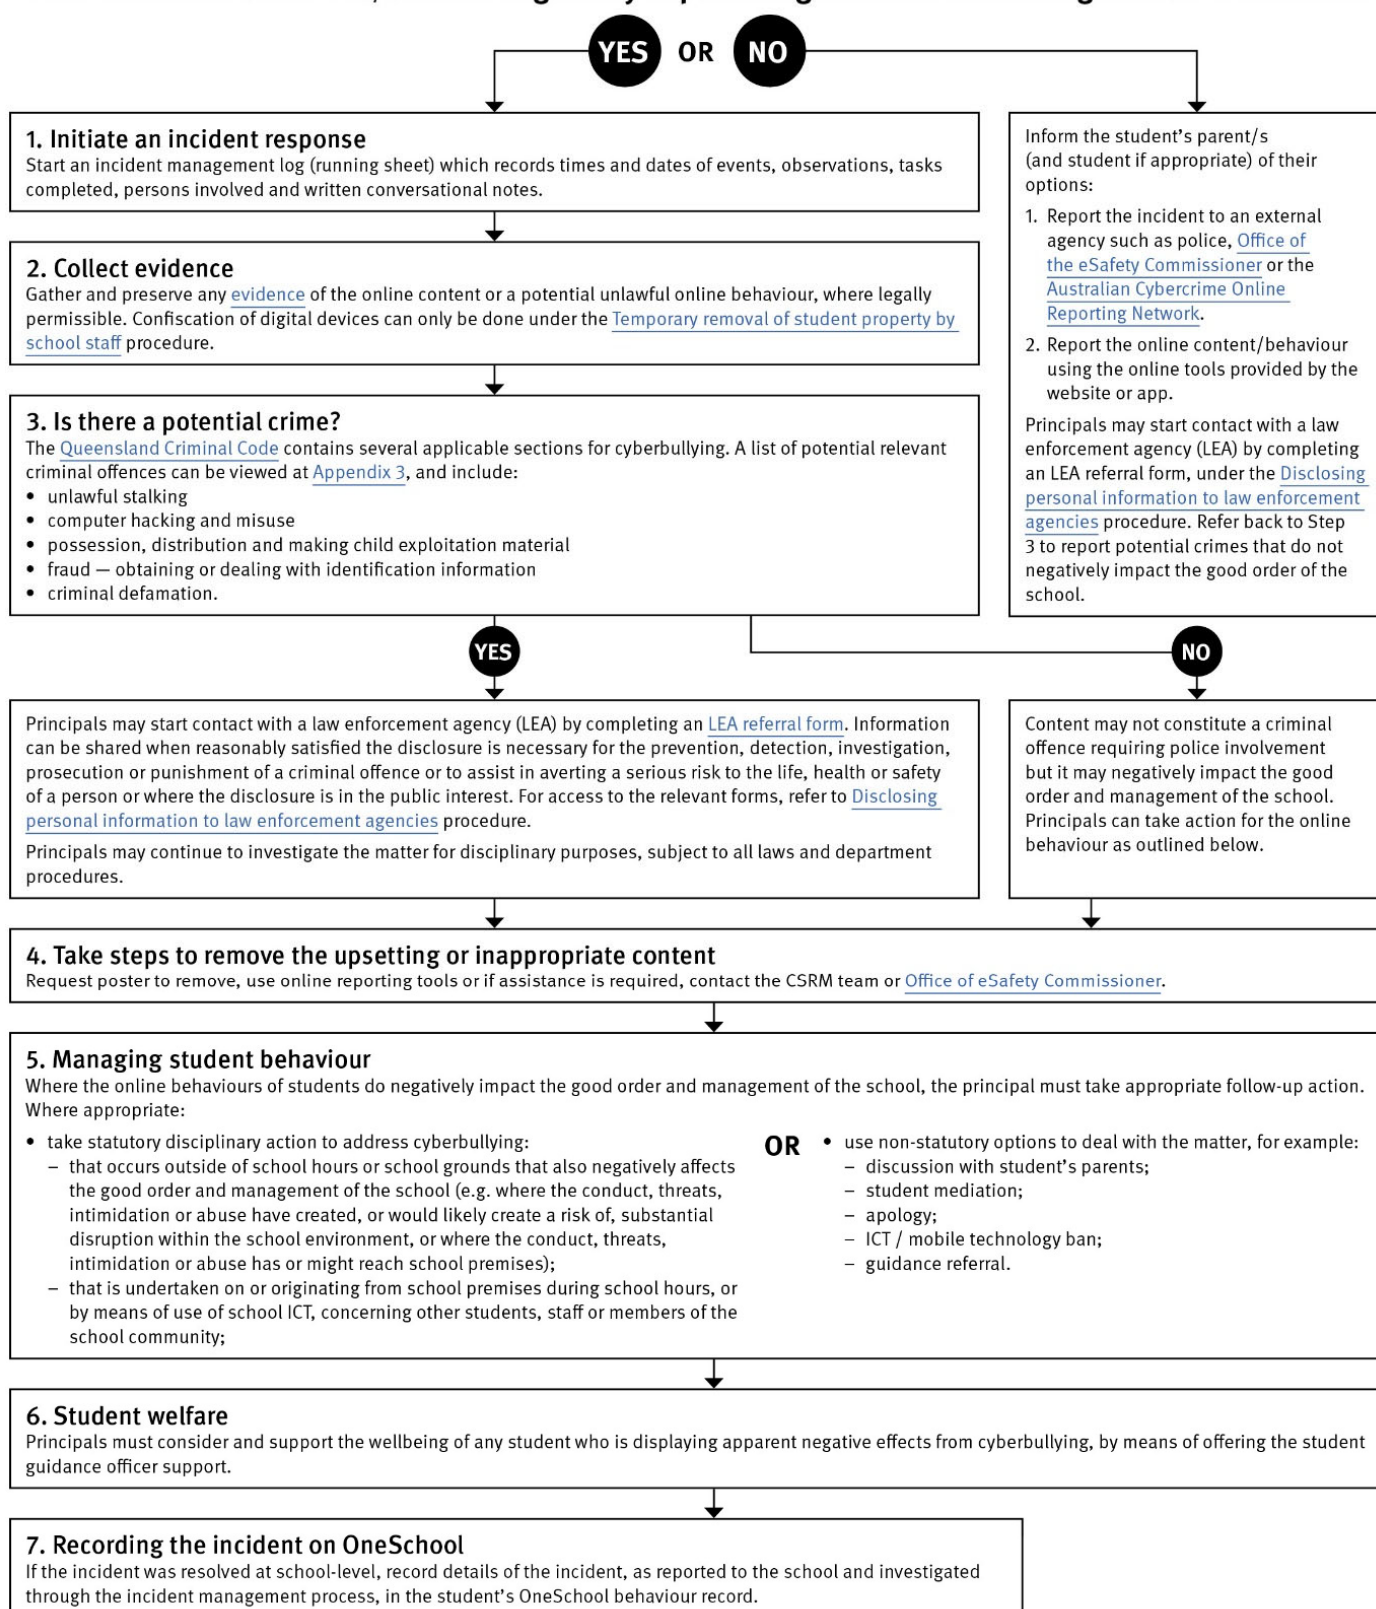

Explicit images

If the investigation involves naked or explicit images of children, staff should not save, copy, forward or otherwise deal with the content, as per the [Temporary removal of student property by school staff procedure](#). This includes onto OneSchool records. Refer to the investigative process outlined in 'Responding to incidents involving naked or explicit images of children' from the [Online Incident management guidelines](#).

Report

Refer to the [Online incident management guidelines](#) for more details, or if assistance is required, contact the Cybersafety and Reputation Management (CSRM) team on 3034 5035 or Cybersafety.ReputationManagement@qed.qld.gov.au.

Does the online behaviour/incident **negatively impact the good order and management of the school?**

Cybersafety and Reputation Management (CRM)

The Department of Education employs a dedicated team of experts to assist in maintaining the integrity of the department's reputation with regards to cybersafety and reputation management issues, effectively leading the development and implementation of departmental cybersafety processes.

This team provides **direct support for schools** to respond to concerns of inappropriate online behaviour and misuse of information and communication technology.

The team provides a [guide for parents](#) with important information about cybersafety and cyberbullying, and suggestions about what you can do if your child is a target or responsible for inappropriate online behaviour.

The team has also developed a [Cyberbullying and reputation management](#) (Department employees only) resource to assist principals in incident management.

For more information about cybersafety sessions at your school, or for assistance with issues relating to online behaviour, contact the [team](#) (Department employees only).

Student Intervention and Support Services

Coolum State School recognises the need to provide intervention and support to all students involved in incidents of bullying, including cyberbullying.

Students who have been subject or witness to bullying have access to a range of internal support staff, as identified in the Student Support Network section earlier in this document. Students are, however, also encouraged to approach any staff member with whom they feel comfortable sharing their concerns, regardless of their role in the school. All staff at Coolum State School are familiar with the response expectations to reports of bullying, and will act quickly to ensure students' concerns are addressed. Depending on the nature of the reported bullying incident, a formal plan of action may be developed and documented to support the implementation of strategies to assist the student.

Students who engage in bullying behaviours towards others will also be provided with support to assist them to use more socially acceptable and appropriate behaviours in their interactions. This includes counselling, social development programs, referral to mental health services or involvement in a restorative justice strategy. School disciplinary measures may also be used to reinforce the seriousness with which the community takes all incidents of bullying. These measures may include withdrawal from social events or celebrations or more severe punishments such as suspension or exclusion from school.

Coolum State School – Anti-Bullying Contract

The Anti-Bullying Compact provides a clear outline of the way our community at Coolum State School works together to establish a safe, supportive and disciplined school environment. This compact is provided to all students and their parents upon enrolment, and may be revisited with individual students if particular problems around bullying arise.

We agree to work together to improve the quality of relationships in our community at Exemplar State College. It is through intentional consideration of our behaviour and communication that we can reduce the occurrence of bullying, and improve the quality of the schooling experience for everyone.

The agreed national definition for Australian schools describes bullying as

- ongoing and deliberate misuse of power in relationships through repeated verbal, physical and/or social behaviour that intends to cause physical, social and/or psychological harm;
- involving an individual or a group misusing their power, or perceived power, over one or more persons who feel unable to stop it from happening;
- happening in person or online, via various digital platforms and devices and it can be obvious (overt) or hidden (covert). Bullying behaviour is repeated, or has the potential to be repeated, over time (for example, through sharing of digital records);
- having immediate, medium and long-term effects on those involved, including bystanders. Single incidents and conflict or fights between equals, whether in person or online, are not defined as bullying.

We believe that no one deserves to be mistreated and that everyone regardless of race, colour, religion, immigration status, nationality, size, gender, popularity, athletic capability, academic outcomes, social ability, or intelligence has the right to feel safe, secure, and respected.

I agree to:

- Treat everyone with kindness and respect.
- Abide by the school's anti-bullying policies and procedures.
- Support individuals who have been bullied.
- Speak out against verbal, relational, physical bullying and cyber bullying.
- Notify a parent, teacher, or school administrator when bullying does occur.

Appropriate use of social media

The internet, mobile phones and social media provide wonderful opportunities for students to network and socialise online. While these technologies provide positive platforms for sharing ideas, they also have the potential to cause pain and suffering to individuals, groups or even whole communities.

It's important to remember that sometimes negative comments posted about the school community have a greater impact than expected. This guide offers some information about how to use social media in relation to comments or posts about the school community. Reputations of students, teachers, schools, principals and even parents can be permanently damaged — and in some cases, serious instances of inappropriate online behaviour are dealt with by police and the court system.

Being aware of a few simple strategies can help keep the use of social media positive and constructive:

- Before you post something online, ask yourself if the community or individual really need to know. Is it relevant, positive and helpful?
- Remember that what you post online is a direct reflection of who you are. People will potentially form lasting opinions of you based on what you post online.
- Be a good role model. If things get heated online consider logging out and taking a few moments to relax and think. Hasty, emotive responses could inflame situations unnecessarily.
- Be mindful when commenting, try to keep general and avoid posting anything that could identify individuals.
- A few years ago parents may have discussed concerns or issues with their friends at the school gate. Today with the use of social media, online discussions between you and your close friends can very quickly be shared with a much wider audience, potentially far larger than intended.
- Taking a few moments to think about the content you are about to post could save upset, embarrassment, and possible legal action.
- As a parent you have a role in supervising and regulating your child's online activities at home and its impact on the reputation and privacy of others. Parents are their child's first teachers — so they will learn online behaviours from you.

Is it appropriate to comment or post about schools, staff or students?

Parental and community feedback is important for schools and the department. If you have a compliment, complaint or enquiry about an issue at school, the best approach is to speak directly to the school about the matter, rather than discussing it in a public forum.

While many schools use social media to update parents of school notices, the department prefers that parents contact schools directly with a compliment, complaint or enquiry due to privacy considerations. Imagine if your doctor, accountant or banking institution tried to contact you to discuss important matters via Facebook.

If you have raised an issue with a school or know that another person has, consider refraining from discussing those details on social media, particularly the names of anyone involved.

Keep comments calm and polite, just as you would over the telephone or by email. If you encounter negative or derogatory content online which involves the school, hinders a child's learning and/or affects the school community at large, contact the school principal.

Possible civil or criminal ramifications of online commentary

A serious instance of inappropriate online behaviour may constitute a criminal offence and become a police matter. For example, online content may substantiate the offence of 'using a carriage service to menace, harass or cause offence' (*Criminal Code Act 1995* (Cwth) s. 474.17). School staff may contact their union or obtain personal legal advice if they feel that online content seriously impacts their reputation. Defamatory online content may give rise to litigation under the *Defamation Act 2005* (Qld).

What about other people's privacy?

If you upload photos of your children, be mindful of who might be in the background. You might be happy to share your child's successes with your friends and family via social media, but some parents are not. If you are tagging or naming students, consider that other parents may not want their child's name attached to images online.

What if I encounter problem content?

Taking the following steps may help resolve the issue in a constructive way:

- refrain from responding
- take a screen capture or print a copy of the concerning online content
- if you consider problem content to be explicit, pornographic or exploitative of minors, you should keep a record of the URL of the page containing that content but NOT print or share it. The URL can be provided to the school principal, or police, as needed for escalation of serious concerns
- block the offending user
- report the content to the social media provider.

Restrictive Practices

School staff at Coolum State School need to respond to student behaviour that presents a risk of physical harm to the student themselves or others. It is anticipated that most instances of risky behaviour can be de-escalated and resolved quickly. On some rarer occasions, a student's behaviour may continue to escalate and staff need to engage immediately with positive and proactive strategies aimed at supporting the student to manage their emotional arousal and behaviour.

In some very rare situations, where there is immediate risk of physical harm to the student or other people, and when all other alternative strategies have failed to reduce the risk, it may be necessary for staff to use restrictive practices.

The use of restrictive practices will always be as a last resort, when there is no other available option for reducing immediate risk to the student, staff or other people. Restrictive practices are not used for punishment or as a disciplinary measure.

The department's **Restrictive practices procedure** is written with consideration for the protection of everyone's human rights, health, safety and welfare. There are six fundamental principles:

1. Regard to the human rights of those students
2. Safeguards students, staff and others from harm
3. Ensures transparency and accountability
4. Places importance on communication and consultation with parents and carers
5. Maximises the opportunity for positive outcomes, and
6. Aims to reduce or eliminate the use of restrictive practices.

Very rarely restrictive practices will be planned and staff will employ, when necessary, pre-arranged strategies and methods (of physical restraint/ mechanical restraint/ clinical holding) which are based upon behaviour risk assessment or clinical health need and are recorded in advance. The use of planned strategies will only be where there is foreseeable immediate risk consistent with the **Restrictive practices procedure**.

Seclusion will not be used as a planned response and will only be used in serious circumstances for managing an unforeseeable situation in an emergency. It will be used for the shortest time possible and in a safe area that presents no additional foreseeable risk to the student. In such emergencies, a staff member will observe the student at all times and seclusion will cease as soon as possible.

Following the use of any restrictive practice, a focused review will help staff to understand how they responded to the risk in any incident that involved the use of a restrictive practice. Staff will consider whether there are other options for managing a similar situation in the future. This strategy works well for reducing the use of restrictive practices.

All incidents of restrictive practices will be recorded and reported in line with departmental procedures.

Critical Incidents

It is important that all school staff have a consistent understanding of how to respond in emergencies involving student behaviour that seriously endangers the student or others. This consistency ensures that appropriate actions are taken to ensure that both students and staff are kept safe.

A critical incident is defined as an occurrence that is sudden, urgent, and usually unexpected, or an occasion requiring immediate action (e.g. in the community, on the road). The aim in these situations is to bring the behaviour of the student under rapid and safe control. It is not a time to try and to punish or discipline the student; it is a crisis management period only.

Staff should follow the documented plan for any student involved in regular critical incidents, which should be saved and available for staff to review in OneSchool.

For unexpected critical incidents, staff should use basic defusing techniques:

1. Avoid escalating the problem behaviour: Avoid shouting, cornering the student, moving into the student's space, touching or grabbing the student, sudden responses, sarcasm, becoming defensive, communicating anger and frustration through body language.
2. Maintain calmness, respect and detachment: Model the behaviour you want students to adopt, stay calm and controlled, use a serious measured tone, choose your language carefully, avoid humiliating the student, be matter of fact and avoid responding emotionally.
3. Approach the student in a non-threatening manner: Move slowly and deliberately toward the problem situation, speak privately to the student/s where possible, speak calmly and respectfully, minimise body language, keep a reasonable distance, establish eye level position, be brief, stay with the agenda, acknowledge cooperation, withdraw if the situation escalates.
4. Follow through: If the student starts displaying the appropriate behaviour briefly acknowledge their choice and re-direct other students' attention towards their usual work/activity. If the student continues with the problem behaviour, then remind them of the expected school behaviour and identify consequences of continued unacceptable behaviour.
5. Debrief: At an appropriate time when there is low risk of re-escalation, help the student to identify the sequence of events that led to the unacceptable behaviour, pinpoint decision moments during the sequence of events, evaluate decisions made, and identify acceptable decision options for future situations.

Colum State School Behaviour Matrix

Expectation	All settings	Classroom setting	Parade	Playground/oval	Transitions/walkways	Toilets	Bus stop/Gate/Bike racks	Eating Area
Be safe	We show consideration for the rights, feelings and property of others. We manage our motions. We find help from someone we trust if feeling hurt or upset. We keep our hands and feet to ourselves.	We walk. We sit properly on chairs. We use equipment appropriately. We enter and exit the room sensibly.	We sit in designated areas. We transition in line with our teacher.	We play safely We wear enclosed shoes. We use equipment appropriately. We play school approved games. We are sun safe and wear a school hat.	We enter the school safely We keep walkways clear. We walk on paths. We sit and wait outside First Aid area before 8am. We travel safely to and from school	We wash our hands. We walk in and out of the toilet area.	We walk our own bike scooter in and out of the school grounds. We wear helmets. We wait inside the gate until our parent has arrived. We use the lights to cross the road.	We eat our own food. We sit down during eating time. We ask permission to go to bubblers or toilets.
	We are ready and prepared. We participate appropriately and work collaboratively. We use supplies and equipment appropriately. We wear correct school uniform. We accept outcomes. We report bullying. We are always honest.	We are ready and prepared. We complete set tasks. We try our best. We challenge ourselves We are always honest. We keep the classroom tidy. We challenge ourselves We are seated and sensible for fruit break We are on time.	We sit quietly.	We respond to all balls immediately. We are tolerant. We use the sports shed appropriately. We eat our own food. We stay in our own areas. We stay away from out of bounds areas. We do not enter classrooms.	We move around the school in lines. We use appropriate noise. We place our bags in bag racks. We go via the office if arriving late or leaving early We line up quietly in designated areas.	We use toilets during breaks. We use toilets during class time with permission. We use quiet voices. We turn off the taps.	We leave school promptly. We use the correct gate. We store bikes and scooters in the bike racks. We arrive at the correct time. We let someone know if our parent hasn't picked us up.	We keep our area tidy. We put rubbish in the (correct) bin.
Be Responsible								
Be Respectful	We respect others' space. We ask permission. We speak respectfully We are tolerant of others. We follow instructions straight away. We respect the environment and school property We use appropriate language.	We listen actively. We raise our hands to speak. We respect each others' right to learn. We respect others' opinions. We use all equipment appropriately.	We listen. We applaud appropriately. We be thankful for recognition and achievements. We are respectful during the National Anthem.	We play fairly and show good sportsmanship. We follow the agreed rules of games.	I understand that students are learning in classrooms when I move around the school. We carry our own belongings. We respect our belongings by putting them in our own space.	We respect everyone's privacy. We respect school property. We take turns.	We use our own bike or scooter. We take care of our own and others' belongings. We don't touch other people's bikes and scooters.	We wait to be released by teachers to go and play.

BE SAFE

- ✓ I move around the school sensibly
- ✓ I keep my hands and feet to myself
- ✓ I follow the rules of the game
- ✓ I report any concerns

BE RESPECTFUL

- ✓ I use polite language and manners
- ✓ I follow teacher instructions
- ✓ I treat others respectfully
- ✓ I care for my property and the property of others

BE RESPONSIBLE

- ✓ I am ready to learn
- ✓ I value my learning time
- ✓ I am responsible for my actions
- ✓ I try to do my best at school

Appendix 3:

Process	Parent/Carer Communication
Managed by Class Teacher <ul style="list-style-type: none"> Warning/s Reminder of correct behaviour from staff to student. 	
Managed by Class Teacher <ul style="list-style-type: none"> Move to a single seating position within classroom. (P-6 Thinking Space in class) 	Phone call to parent/carers (class teacher discretion). If happens more than once in a day or multiple times a week – parent/carers communication and oneschool entry required.
Managed by Class Teacher <ul style="list-style-type: none"> Move to the alternate class for a maximum of one full session. (P-6 Thinking Class Room) <p>Process:</p> <ul style="list-style-type: none"> Call Thinking classroom to inform the student is coming. Call 342 to organise DP or SET to escort student back to classroom. Class teacher has reflective discussion with student before they re-enter the classroom. DP or SET to take class while reflective conversation takes place. <p>Appendix 4 (Behaviour Reflection script)</p>	Phone call to parent/carers by class teacher. One School contact with the Behaviour Record.
Managed by Student Engagement Teacher /Deputy Principal <ul style="list-style-type: none"> Refusal to move to alternate class - contact the Student Welfare Teacher or Deputy Principal - #342 Frequent referrals to Thinking Room/Reflection Room may result in an escalation to Tier 2 or 3 support. Removal of a student from their classroom to direct supervision by DP/SET. Students may participate in a gradual re-entry. Individual Behaviour Support Plan may be developed. 	Phone call to parent/carers by Student Engagement Teacher/Deputy Principal. One School contact. Parent meeting encouraged.
First Suspension (1-5 days) Subsequent suspensions may be 6 – 20 days.	Formal letter and phone call. Re-entry meeting recommended.
Suspension with Proposal / Recommendation to Exclude	

Examples of Inappropriate Classroom Behaviour

<p>Warning - (P-6) Thinking Space in class</p> <p>Alternate classroom (P-6) Thinking Room</p>	<ul style="list-style-type: none"> • Consistent refusal to participate • Verbal harassment • Exclusion • Non-consideration of others • Inappropriate physical touching • Inappropriate language • Disrupting other students' learning • Talking and interrupting • Refusal to work • Non-completion of work • Repeated defiance • Breaking class rules • Minor fighting • Minor aggressive behaviour • Minor vandalism or damaging other student's property • Making inappropriate noises • Calling out • Being out of one's seat
<p>Managed by Student Welfare Teacher/Deputy Principal</p>	<ul style="list-style-type: none"> • Continual verbal or physical harassment • Sexual harassment • Endangering others or self • Persistent insolence • Repeated anti-social behaviour • Stealing, vandalism, serious graffiti • Continuation of multiple Thinking Room/Reflection Room exits • Wilful destruction of property • Theft of valuable items • Leaving school grounds • Being disrespectful towards staff

Process for Referral to 'Thinking Room'
