

Engaging in Excellence

Strategic Plan 2023-2026

Connected Curriculum

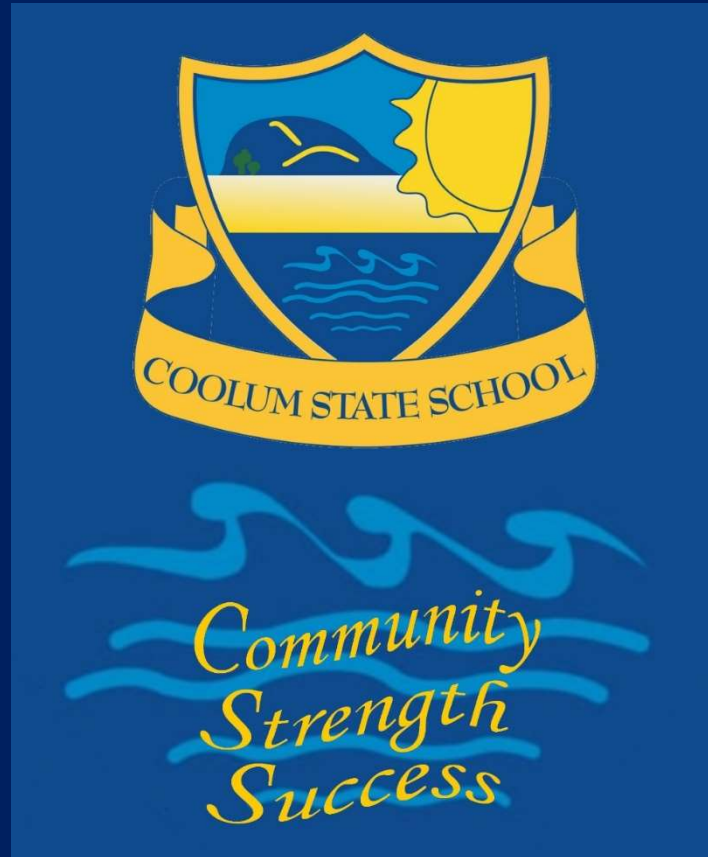

A locally relevant, high quality curriculum that engages all learners.

- Complete the design of Transdisciplinary Units.
- Engage with the community to support the curriculum.
- Develop an evidence based consistent approach to Literacy

Access for All

Provide opportunities for all to engage and achieve success.

- Targeting resources to student needs.
- Align curriculum, pedagogy and environment to the adjustments required for the learner.
- Use of disaggregated data to inform decisions.

Goal: 93% C and above English and Maths,
54% A-B in English and Maths, Attendance 93%

Quality Teaching

Research based effective instruction embedded in every class that engages, motivates and challenges.

- Develop a shared understanding of agreed effective pedagogical approaches that support the curriculum.
- Ensure staff learning enhances performance.
- Embed collegial engagement practices.

Alignment

A collective commitment to organisational proficiency in delivering a seamless journey that promotes excellence.

- What is planned is enacted with precision.
- Communicate and collaborate to ensure clarity of direction.

Coolum State School is committed to providing systematic engaging learning opportunities for all students to develop their skills to be successful learners.
