

Investing for Success

Under this agreement for 2021
Coolum State School will receive

\$302,187*

This funding will be used to

- Increase the percentage of students attaining a C standard or above in English and Mathematics.
- Improve literacy and numeracy achievement of all students in the core areas of English (Reading, Writing, Spelling) measured by a range of assessment tools.
- Maintain the percentage of students achieving at or beyond the National Minimum Standards for Year 3 and 5 in NAPLAN Reading, Writing, Spelling and Numeracy at a level similar to the nation.
- Lift the percentage of students achieving in the NAPLAN Upper Two Bands to 'similar' when compared to 'like schools'.

Our initiatives include

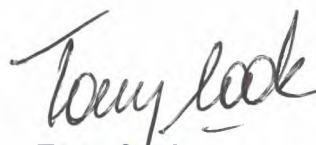

- Employing a Pedagogy teacher to take a lead role in the development of consistency in pedagogy.
- Building moderation processes for all Year Level teams to build capacity of teaching staff and embed as an organisation routine of school wide professional learning and development.
- Employing a teacher aide to support classroom teachers to deliver a differentiated model of targeted teaching in numeracy and literacy.
- Implementing a data wall for English across all year levels to inform action and support.
- Implementing quality, targeted professional development programs that align with the school priority area of Australian Curriculum (reading & writing).
- Providing evidence based, data driven, early intervention programs to lift student achievement in the core areas of English (Reading, Writing, Spelling) and Mathematics (Number).
- Increasing support to deliver targeted teaching in literacy and numeracy as a part of the Learning Support & Enrichment program.

Our school will improve student outcomes by

Providing release time for staff to enable opportunities for collaboration and professional learning focused on pedagogical improvement and collegial engagement.	\$53,000
Providing teacher-aide support to enact focused and intensive support.	\$220,000
Purchasing literacy and numeracy resources to support new and existing programming.	\$9,187
